## **ABOUT LENS OF FAITH MINISTRIES**

Leah Marie Carson birthed Lens of Faith Ministries in 2016, out of obedience to God's call. What began as a step of faith by blogging, has grown into a very impactful ministry through public speaking, podcasting, media channels, content creation, books, community outreach, volunteer work and evangelism.

Lens of Faith Ministries is dedicated to sharing powerful truths, activating, and bringing others into a life of true freedom and undeniable transformation through Jesus Christ. Leah is an influential leader, speaker, podcaster, content creator, author, and evangelist who boldly shares the gospel and makes the most of every opportunity, to advance the kingdom of God. (Ephesians 5:16)

Leah shares valuable lessons that come from a life of surrender, consecration and uncompromising faith. Through media and interviews, Lens of Faith Ministries teaches and highlights amazing testimonies from individuals and leaders across all walks of life—with the intention of pointing to God's goodness and the transforming power of Jesus Christ. The media platform exists to encourage and activate others to live in their God-given purpose.

Leah also trains believers how to go into their communities, workplaces and beyond to evangelize. She takes groups out to parks, communities and shopping centers to lead the lost to salvation, pray over the sick and those in need. Fulfilling the great commission that commands believers to spread the Gospel, make disciples of all nations, baptize them, and teach them His commandments. (Matthew 28: 16-20)

She is also involved in community outreach and volunteers regularly. Which includes a homeless outreach she started nine years ago, giving resources to those in need and sharing the gospel.

As a protector of the innocent, Leah has partnered with pro-life ministries, spoken out at the local school board and takes a bold stand for righteousness in the culture, through a variety of media platforms.

Leah's own journey is at the heart of the mission. Her story of surrender, resilience, and transformation is captured in her book, *Lens of Faith*, where she shares that nothing is impossible with God and life-changing lessons that have helped others be set free from strongholds and grow in their faith. Leah has a second book, *The One*, about having God's heart for people.

**Mission:** Continue to partner with God in seeing lives transformed by the truth of the Gospel, as people encounter his power and love, grow in great faith, and boldly live in their God-given purpose. To take a stand for righteousness in the public square. To serve others in need with time, skills, and resources. Here I am Lord, Send me.

“Pray for me, that whenever I speak, words may be given me so that I will fearlessly make known the mystery of the gospel.” -Ephesians 6: 19
